About the Book: The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants-Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes including magic, betrayal, revenge, and family.

It is believed to have been written between 1596 and 1599. Although classified as a comedy in the First Folio and sharing certain aspects with Shakespeare's other romantic comedies, the play is most remembered for its dramatic scenes, and it is best known for Shylock and his famous "Hath not a Jew eyes?" speech on humanity. Also notable is Portia's speech about "the quality of mercy". Critics listed it among Shakespeare's great comedies.

About the Book: Othello (The Tragedy of Othello, the Moor of Venice) is a tragedy by William Shakespeare, believed to have been written in 1603. It is based on the story Un Capitano Moro ("A Moorish Captain") by Cinthio, a disciple of Boccaccio, first published in 1565.[2] The story revolves around its two central characters: Othello, a Moorish general in the Venetian army and his treacherous ensign, Iago. Given its varied and enduring themes of racism, love, jealousy, betrayal, revenge and repentance, Othello is still often performed in professional and community theatre alike, and has been the source for numerous operatic, film, and literary adaptations.
